Profile

Art Director and Designer with **4+ years** of experience across retail, tech, and agency environments. I blend creativity, strategy, and technology to craft striking visuals, campaigns, and brand experiences. Skilled in **Motion and Graphic Design, 3D, UX/UI, and Generative AI**, I bring stories to life through high-quality Marketing Materials that balance innovation with brand consistency. I thrive in fast-paced environments and love pushing creative boundaries to deliver modern, polished work that resonates.

Expertise

Creative Concept Development, Visual Direction and Design, Team Management & Leadership, Collaboration, Project Management, Quality Control, Presentation

Experience

Art Director / Graphic Designer | eShipper

May 2024 - Present | Brampton, ON, Canada

- Leveraged Generative AI for visual direction and video production, improving workflow efficiency and reducing production time by 30%.
- Led the design and execution of creative assets for PPC and social campaigns across print and digital.
- Produced an animated platform demo video and supervised the full production process.
- Designed event materials including posters, brochures, and merchandise, boosting brand visibility

Graphic Designer / Video Editor | EMR Shielding Solutions

Nov 2023 - April 2024 | Woodbridge, ON, Canada

- Delivered 10+ package designs and 40+ product photoshoots for web and social platforms.
- Created strong e-commerce visuals and led rebranding efforts, contributing to a 10% increase in Amazon FBA sales.
- Applied solid expertise in typography, color theory, and layout for consistent brand communication.

Jr. Art Director | Scaler Academy

Jun 2022 - Jul 2023

- Directed and reviewed photoshoots for print and digital, ensuring strong brand alignment.
- Managed and optimized PPC ad creatives across multiple platforms.
- Produced performance-driven motion graphics and animations using After Effects and Blender, increasing CTR by 2% and reducing CPL.
- Contributed to the core design team for the launch of Scaler School of Technology.

Awards: Needle Mover 2023

Student Creative Experience

3D Animator & Graphic Design Roles

Foscher, Interactive Avenues (IPG Mediabrands), Eunoians,

2020-2022

- Produced a 3D animated short film “Take Me Back” at Eunoians Creative Studio for my graduation project, selected among the Top 5 projects of the year.
- Designed performance creatives, social ads, and motion-graphic content for global brands like Xiaomi and Cafe Coffee Day during my internship at Interactive Avenues (IPG Mediabrands).
- Created posters, brochures, social media creatives, and event marketing materials at Foscher Pvt. Ltd, contributing to stronger brand visibility and engagement.
- Developed a launch video for Foscher’s Australian store opening.
